Managing Director
Madhya Pradesh Tourism Board

Managing Director Desk

Madhya Pradesh Tourism Board (MPTB) with an objective to promote true and authentic experience to the travellers is working aggressively to promote "Experiential Tourism" in the State. MPTB has introduced four policies namely Homestay, Bed and Breakfast, Gram stay and Farm stay to provide 360° experience to travellers about culture and ethos of Madhya Pradesh.

Tourism scenario is on the verge of a shift from the traditional high cost plane to the warmth of a domestic and personalized environment. Madhya Pradesh is a hotbed of tourism, with every district in the state having something unique and wonderful to offer to visitors, both domestic and international. It is true that there are hundreds of resorts and hotels catering to tourists; however, homestay offer a unique and "once-a-lifetime" experience and would provide altogether different and unforgettable experience. Homestays are gaining popularity in India and people are willing to try out this unique yet delightfully rewarding option while travelling.

For a truly discerning traveller, Madhya Pradesh Homestays are a wonderful opportunity to learn the local customs, enjoy the local cuisine, get to know local people, and exchange knowledge and experiences. Homestays offer this unique opportunity to experience the incredible diversity and charm of different types of homes in Madhya Pradesh. The options are almost endless and can be varied from a mud hut in a rural village to a historic haveli or fort to a luxury modern city house, to countryside farmhouses, bungalows and many more.

We are happy to share the first directory of our registered homestay units across the state. It would definitely be helpful for tourist to know about all registered homestays and their unique features. We welcome you to come and experience the incredible diversity and the actual charisma of Madhya Pradesh Homestays.

Additional Managing Director Desk

There's a saying in India, "Athithi Devo Bhava", which means "The Guest is God". Indians consider it's a huge honor to have guests in their home, and go out of their way to please them. Visitors come to India to experience true Indian culture and hospitality.

Madhya Pradesh Tourism Board introduced schemes giving opportunities to house owners willing to give a portion of their house as a tourist accommodation for domestic and international visitors. The big idea behind the homestays is to provide a clean, habitable & affordable accommodation options which include opportunities to stay & interact with Indian families to experience rich Indian culture, tradition and cuisine.

The registered units serve local delicacies along with the better personalised service creating an unforgettable experience for guests. By staying in a local's house guest experience first - hand chance to learn more about local cultures, customs and experience. In homestays guest explore beyond the tourist trail as the hosts will know about enchanting, hidden areas and local neighbourhood with the hosts and get invaluable insights from them that you wouldn't have gotten in any travel book.

I am Proud and heartened to announce that M.P tourism Board is taking a step further and bringing out a directory of the approved homestay providers of Madhya Pradesh. I am sure this edition of directory would be an informative handbook for the tourists and a new platform to exhibit our innovative and tourist friendly offerings to the world.
