No. 1406/PLG/MPTB/2022

Bhopal, Dated 28/02/2022

Corrigendum -1

NIT for Conceptualization, Designing, Preparation of DPR & Supervision during execution of Museum of Music in Gwalior (M.P.).

NIT No. 1345/plg/MPTB/2022,

dated 24/02/2022

“The Following are the modifications to the NIT”			
S.No.	Page No. Clause No.	As mentioned in RFP	Amended /added in RFP
1.	Page No. 05, Clause 3	Para 5, We already have heritage buildings called “Moti Mahal” and Gorkhi complex at Gwalior in which the “Museum of Music” is to be established. A comparative study of both the buildings is proposed to be done for selection of better option for execution of the project.	We already have a heritage building called “Moti Mahal” at Gwalior in which the “Museum of Music” is to be established. If in future, due to any unavoidable reasons, MPTB proposes another building for Museum of Music, then the consultant will have to revise the DPR accordingly. Note:. The drawings of Moti Mahal are attached with this document for conceptualization of Museum & for preparation of Presentation.
