1.0 INTRODUCTION & BACKGROUND

Madhya Pradesh can easily be described as the best state in the nation, in terms of the richness and diversity of tourism destinations. The state has three world heritage sites namely Sanchi, Bhimbetka and Khajuraho. Madhya Pradesh is not called the 'heart of India' only because of its location in the center of the country. It has been home to the cultural heritage of Hinduism, Buddhism, Jainism and Islam. Innumerable monuments, exquisitely carved temples, stupas, forts, and palaces are dotted all over the State. The natural beauty of Madhya Pradesh is equally varied. Consisting largely of a plateau, the State has everything. Spectacular mountain ranges, meandering rivers, and miles of dense forests. But perhaps the best part about MP is its accessibility. It is equally close to major tourist destinations from the North, South, East, and West.

In the last few years, the Government of Madhya Pradesh has initiated several measures to position the state as the leading tourism state globally.
