THE POLICY FOR ESTABLISHMENT & MANAGEMENT OF WAY SIDE AMENITIES (2016) AS AMENDED 2019

The Madhya Pradesh Tourism Policy aims to promote balanced and sustainable tourism which enables socio-economic development and to establish Madhya Pradesh as a destination which provides a complete tourist experience destination. Promoting private sector investment is one of the main strategies adopted in Tourism policy to achieve this aim.

1. NEED FOR WAY SIDE AMENITIES:

Madhya Pradesh is a land locked state with its boundaries touching those of Maharastra, Gujrat, Rajasthan, Uttar Pradesh and Chhattisgarh. The main highways of the country running from east to west and from north to south run across the state due to its geographical position. Therefore, inter-state and inland traffic relying mainly on roads passes through here. Within Madhya Pradesh too, due to the large area of land one has to travel long distances by roads. There is a large network of highways and rural roads in state whereby large number of tourists, businessmen and other travellers commute.

Countries with developed tourism sector have networks of wayside amenities where availability of clean toilets, food & beverage, essential personal commodities and provision for refuelling is ensured. In state of Madhya Pradesh there is no standard and efficiently managed infrastructure available presently for the travellers. Considering this fact, it is essential to establish standard Way Side Amenities in a planned way by making a policy for it, so that the travellers may get essential facilities at every 40-50 kms distance. Ministry of Tourism, Government of India too have provided for establishing Way Side Amenities (hereinafter mentioned as ‘WSA’) in many of their schemes and have also provided for financial assistance to states from time to time. Establishment of facilities for travellers such as food and beverage with clean toilets, resting place, telephone and internet, commodity-store, first aid, parking etc. on the routes connecting tourist centers will promote tourism and will provide employment to local people.
