Pre- bid meeting held on 17/10/2018

## (1). Pre- bid query response

S.No	Name and Contact Details Of the Organization	Query No.	Page no.	Section	Sub Section	Reference/Subject	Clarifications sought	Remarks
1	Skills Art and Beyond Shreya Kumari Asst. Manager-Skills 7677067676 shreya@skillsartandbeyond.com	1	20	23	(i)	Certificate of Completion from sponsoring agency / details uploaded on portal certified (duly signed and sealed) by sponsoring agency	Documentary proof to be provided from the sponsoring agency for training and placement is quite impossible to arrange, please specify some other proofs such as screen shots from the respective portals. At the same time they will not seal and sign on those screen shots.	No Change
		2	20	23	(i)	Certificate from sponsoring agency / details uploaded on portal certified (duly signed and sealed) by sponsoring agency mentioning the addresses of the Training Centres operated by the Training Service Provider clearly mentioning the name of state, district and training centre	Documentary proofs from respective Sector Skill Council such as affiliation/ conditional accredited certificates may serve the same. Please clarify.	No Change
2	Seraphic IT Solutions Indore Saket Jain Director 9644034142 saket.singhai@gmail.com	3	19	22	iii	In technical capability , Supporting documents required are word order from sponsoring agency	In certain projects which we have done like PMKVY and ESDM. Every thing is via email right from target allocation and Assessment and also there is no Project completion certification ,it is just the portal which gives result of passed students	No Change
		4	19	22	iv	Placement capability, Supporting documents required are word order from sponsoring agency	sponsoring agency like pmkvpy and ESDM operative via portal and email and they do not give anything on letter head for project completion and for placement done	No Change
		5	20	23	i	Marking criteria for document based technical evaluation	We have accreditation certificate issued by smart under NSDC and related sector skill council and For ESDM also we have everything on portal and screen shot can only be provided and they do not give anything on seal and sign.	No Change

## (2). Change in annexure- 4G (Technical Capability)

The date mentioned in point no.02; kindly read it 31.03.18 instead of 31.03.2017.
